INFO YOU NEED TO KNOW

The James Plevritis-Joseph C. Keane AHEPA Chapter #405 is excited to announce its 2nd Annual Golf Outing on Tuesday, October 16, 2018 at Leewood Country Club, Eastchester, NY. This year's outing is being held to raise money to help St Michael's Home continue their mission of building a state of the art facility. Proceeds from this event will also be used to advance AHEPA's commitment to education through its scholarship funds.

St Michael' s Home

St Michael's was established in 1957, to accommodate the growing population of Greek Orthodox elderly. Through the years, they earned themselves a stellar reputation by caring for the elderly. Because of this, St Michael's has outgrown its current facility and is in need of further expansion. The Board of Trustees, has purchased a new location on Long Island to build a state-of-the-art continuum care facility that will accommodate more residents and offer a higher level of care. We are proud to contribute a portion of our proceeds to help raise the necessary funds for their capital campaign fund.

The AHEPA scholarship program offers scholarships to a wide variety of students. Recipients are traditional & non-traditional students, seminarians, high school seniors, college and post-graduate students. Today's AHEPA remains firmly committed to promote the ancient Hellenic ideals of education.

We invite you to be a part of our Golf Outing's mission and ask that you consider taking advantage of our sponsorship opportunities and/or supporting us through donations of various prizes and raffle items. By being a sponsor you will help to provide the resources that enrich our AHEPA programs and for that we are forever grateful.
