Christmas Message 2023

Dear Fellow Parishioners,

The simplicity of the story of Christ's birth reveals the depth of God's love and the mystery of His actions in our life. As we celebrate Christmas anew this year, once again Mary and Joseph, the shepherds and the wise men, the angels and animals direct our attention to the Lord Jesus. He who is truly "the way, the truth and the life" who reveals Himself in the humble circumstances of a cave in Bethlehem. All of time is centered upon His coming. All of creation surrounds Him who fashioned the creation.

This story of the birth of Christ is a vivid reminder of the depth of God's love for us. He loves us so much that he has entered into life in this world in the person of Christ. The infinite God mysteriously accepted the limitations of our humanity. It was not enough for God to act through signs and wonders of the physical world. It was not enough for God to guide us through the prophets and teachers of old. To express his boundless love for us, the Living God appeared among us in the person of Christ Our Lord. By fully identifying himself with us, Christ has come to teach us, to heal us and to lead us back to the Father. He has come to remind us that we are the Father's precious daughters and sons. As St. John the Evangelist says: "God so loved the world that he sent His Only begotten Son so that all who believe in him will not be lost but will have eternal life" (Jn 3:16)

The persons who are involved in the story of Christ's birth were all quite different. Mary and Joseph were humble travelers seeking a place of shelter. The shepherds were simple men of the land tending their flocks. The wise men were wealthy and aristocratic foreigners wandering in a strange land. Yet, each of them shared a common characteristic. They opened their hearts to the actions of the Lord who mysteriously led them to the village of Bethlehem. Each of them permitted God to act in their lives. Mary and Joseph were willing to change their whole life to nurture and protect the child Jesus. The shepherds were willing to hear the words of the angels. The wise men were willing to follow the star. We remember them during this season because they **opened their hearts and trusted in the Lord.**

Please join me in **opening up our hearts and trusting in the Lord** this Holy Season as we witness Christ's birth through the celebration of the Christmas Liturgies, especially the Gospel readings concerning the genealogy of Christ as well as the better understanding of the Christ's birth through the magnificent icon of the Incarnation which adorns the back wall of the Church.

Καλά Χριστούγεννα – Merry Christmas

Father Nick

Holy Trinity Scouts

November 20, 2023

Dear Holy Trinity Community:

During the time of Thanksgiving & Christmas, I wanted to take a moment to express the immense value and importance of scouting programs for youth and their families.

Scouting, whether through Boy Scouts, Girl Scouts, or similar groups, offers an invaluable platform for youth *ages 5 through 17*, to develop lifelong skills, character, and responsibility in a structured, supportive setting.

It's a hub for cultivating leadership, seen through activities like camping and teamwork that nurture effective communication and collaboration—skills pivotal in academics, careers, and relationships.

Scouting instills a strong sense of community and service, fostering empathy and responsibility through impactful community projects.

Engaging with nature through outdoor challenges fosters physical health, environmental appreciation, and crucial lessons in self-reliance.

For families, scouting creates bonding opportunities, allowing active participation in children's growth and unity through shared experiences.

In today's fast-paced world, scouting offers a stable, nurturing environment for youth to explore, learn essential skills, and develop into compassionate, capable adults, shaping their values for life.

The impact of scouting in shaping young minds and nurturing positive values is immeasurable, making it an invaluable asset to our communities.

The Scouting program has been a cherished tradition in our Holy Trinity Greek Orthodox community, leaving a remarkable impact on our church grounds. The projects accomplished by Scouts, especially through the Eagle Scout Service Project, stand as a testament to our gratitude for the support and generosity shown by our parish leaders. We extend our heartfelt thanks to Frs. Nicholas Anctil and Demetrios Balidis for their unwavering kindness and sponsorship. Their guidance has made all these endeavors possible. We are profoundly grateful for the way our community has embraced our children, providing them with life-changing experiences through Scouting.

Should you like to learn more about our program, please feel free to reach out to andrew.yiannakos@gmail.com or ktkingsley@hotmail.com. We meet each 1st, 3rd, and 5th Tuesdays of each month from 6.30 pm to 7.30 pm.

Warm regards and deep appreciation to everyone involved. Happy Holidays to All.

Kristine Kingsley Mulder

Scoutmaster, Troop 325

Dear Holy Trinity

I trust this message finds you in good health. I am writing to introduce myself – I'm Andreas Mulder, a dedicated Boy Scout from Troop 325 at Holy Trinity. Currently, I am on a significant journey to attain the rank of Eagle Scout, the highest achievement in scouting. As part of this endeavor, I have initiated a service project aimed at renovating the vestry room and cry room within our church. The primary objective is to enhance the functionality and accessibility of these spaces.

In order to ensure the success of this project, I kindly request your support in the form of a financial contribution. Every contribution, no matter the size, would be sincerely appreciated and will play a crucial role in helping me reach my fundraising goal. Your generous donations will directly contribute to the installation of much-needed shelves and a new table.

Donations can be made by check payable to "Holy Trinity Scouting" or in cash enclosed in an envelope labeled "Andreas's Eagle Scout Project." These can be conveniently dropped off at the church office. If you have any questions or require further details about my project and its objectives, please feel free to contact me via email at andreasmulder06@gmail.com. I am more than happy to provide any additional information you may require.

Your support would be invaluable in making this project a success, and I want to express my heartfelt gratitude in advance for your consideration. Thank you for your time and support.

Sincerely,
Andreas Mulder

Holy Trinity Brick Recognition Program Update

Remember the Past, Look to the Future!

Dear Fellow Parishioners and Friends of Holy Trinity:

First, I would like to provide my most heartfelt thanks to all of you who have participated in the program, to date. The program has been a success and continues to be a testament to remembering loved ones and honoring the present and future of our beloved parish.

As many of you have seen, the first grouping of bricks has been placed and the expansion of the path looks wonderful. As orders continue to come in, we just want you to know that it is simply a factor timing and numbers when the next set can be placed but know that it is a top priority to accelerate the process; several orders came in soon after the first order had been placed, for example.

We hope that you feel this is a worthwhile endeavor and anticipate a continued enthusiastic response; the application follows here and can also be obtained in the church office.

Best regards for a joyous holiday season and thank you again!!

Ladies Philoptochos Society Holy Trinity Greek Orthodox Church

Dear Holy Trinity Family,

During this beautiful and colorful autumn season our Philoptochos chapter is busy and involved in many meaningful activities. On October 15, our team *Holy Trinity GO New Ro* participated in the American Cancer Society's Making Strides Against Breast Cancer walk. Thanks to all of you who donated and/or walked. As a result of our participation, we raised \$8,357 for this worthy cause! Thank you to Margaret Papademetriou for her efforts in making this event such a wonderful experience and a huge success! On October 17, our members came together in the Church's social hall for a well-attended general member meeting during which we discussed our goals and enjoyed coffee, desserts, and fellowship.

On November 5, our chapter offered an Artoklasia to commemorate Saints Cosmas and Damianos, the Patron Saints of Philoptochos. Thank you to our Vice President Andrea Nicholas for inspiring us to have this lovely and spiritual celebration. On November 9, volunteers from our chapter served a home cooked meal prepared by our own Manny Louros to cancer patients, cancer survivors and their families at Gilda's Club in White Plains. Thanks to all the volunteers who donated desserts and/or attended the dinner and to Elizabeth Zoulis and Colleen Kourakos for co-chairing this event. On November 12, our chapter honored our veterans by presenting Shawn Kingston from the James J. Peters VA Medical Center in the Bronx with ten \$50 grocery cards for distribution to veterans in need. I am grateful to Maria Fotiadis for leading this effort. AHEPA, too, presented ten \$50 grocery cards during our joint Veterans' Day Commemoration in church immediately following the liturgy. Our chapter sponsored a Women's Self-Defense workshop in November. Women gained the skills and confidence needed to defend themselves. Four classes were led by a retired Eastchester police officer who is also a FBI-certified defense tactics instructor. Many thanks to co-chairs Eirinni Copulos and Elizabeth Zoulis for making this workshop possible. Finally, since September both the Knitting for Charity group and our Book Club group have met several times.

Mark your calendars! Our always-popular annual Candlelight Dinner will be held at the Church's social hall on Thursday December 7. This year we are honoring our beloved former president, Marina Sirras! We will have a delicious dinner, a beautiful holiday

boutique, many amazing raffle prizes, and a very special super raffle prize. Co-chairs Anna Damianides and Maria Valliades are working tirelessly to make this year's dinner magical. This is a great way for all of us to come together to start this blessed holiday season. A few days later, we will have our annual Hats and Gloves for the Homeless Sale. Please come to our table on December 17, after liturgy in the Church's social hall, and support this event.

Our Philoptochos chapter provides many ways to get involved and to give back and many of us are involved in one or more of our Outreach Ministries. Once a month, volunteers at the Carver Center assist food-insecure members of the Port Chester community. Volunteers prepare a meal for HOPE Community Services of New Rochelle several times a year. Our Philoptochos chapter sponsors the weekly Community Food Drive. Once a month, volunteers make sandwiches that are delivered to the Grace Episcopal Church in White Plains and distributed to those in need there. Also, once a month, volunteers prepare and deliver a simple, yet nutritious, pasta and salad meal that feeds about 60 grateful friends at the Oasis Shelter in New Rochelle. Since 2009, through our Soup Run, we have been providing a meal, toiletry kits, clothes, and various sundry items to the homeless and those living in shelters in Manhattan and elsewhere. Visit our Church's website at www.holytrinitynr.org or stop by our Philoptochos bulletin board in the Church foyer for information about what dates are available for you to participate in any of these ministries and for further information about these ministries and other events.

Remember our chapter is connected. Follow us on Facebook and Instagram where you can see photos, read about our ministries and our events, and see what all of us do to make the world better.

I wish you and your loved ones a beautiful and blessed Thanksgiving!

With love,
Agathy Gerkis

Holy Trinity Library

With the Christmas season upon us, consider coming into the library to borrow a book about Christmas. The children's section has a very large selection of Christmas-related books, which are ideal for reading to your children or grandchildren. Among the many titles you will find there are *Mary, Did You Know?*, *The Miracles of Saint Nicholas*, *The Littlest Angel*,

M is for Manger, *How Many Miles to Bethlehem?*, and *The First Christmas*. In the adult section, we also have a number of excellent books including *Let All Creation Rejoice: Reflections for Advent, the Nativity and Epiphany*, *How to Read and Pray the Christmas Story*, and *The Origins of Christmas*.

We are grateful to Philoptochos for a beautiful new addition to our library's collection, titled *The Virgin Mary in Holy Icons and Stories*. In addition, we thank Kathy Haverlack for donating the book *Prison Ministry Training Guide*. With the start of Philoptochos's prison ministry, the book will be helpful to anyone interested in learning about volunteering in prisons.

We wish our Holy Trinity family a blessed Christmas and a peaceful, healthy, and happy New Year!

♥ Young at Heart ♥
